

**This Heart Of Mine**  
**The Wailin' Jennys**

Capo 2

Intro: **Am C D**

**Am**                    **C**        **D**                    **Am**  
If all is fair in love and war  
**C**                    **D**                    **Am**  
I haven't seen the score  
**C**                                    **G**                    **D**  
But it can't be either of those

**Am**                    **C**                                    **D**                    **Am**  
And all this time, thought I was in control  
**C**                    **D**                    **Am**  
But fate she held her own  
**C**                    **G**                    **D**  
Even when I thought I chose

**F**  
Now the coldest day of winter  
                                 **Am**  
Has made a home of my heart  
                 **D**  
It burns a cold right through me  
**E**  
Tearing me apart

**F**                    **C**        **G**  
When did I lose you?  
                 **D**                                    **F**  
It feels like such a crime  
                                 **C**        **G**  
When did I lose all  
                 **D**                                    **F**  
The reasons for this rhyme  
                                 **C**                    **G**  
So many questions burning  
**D**                                    **F**                    **C**        **G**  
In this heart of mine  
**D**                                    **F**                    **C**        **G**  
In this heart of mine  
(Pause)                    **Am**    **C**        **D**        **Am**  
In this heart of mine
