

Genevieve

The Walker Brothers

Genevieve

**Ebm**                      **G#m**  
Tomorrow will be Saturday  
**F#**                              **E**  
You ll wake and find I ve gone away  
          **Ebm7**                      **C#m**                      **Bb**  
But life goes on, you ll get along

**Ebm**                      **G#m**  
How easy we can whisper lies  
**F#**                              **E**  
I ve lied until I want to cry  
          **Ebm7**                      **C#m**                      **Bb**  
The truth I fear won t disappear

Chorus:

**Eb**                      **G#**  
Genevieve, love hangs on a string  
**Eb**                      **G#**                              **Eb**  
Pretty thing, love shines in the sky for you  
**C#**                                      **F#**  
I ve tried to make your dreams come true  
**Bb**                                      **Ebm**  
I ve tried for you, Genevieve

Remember walks in summer rain  
They ve flown, but they ll return again  
And someone new will walk with you

I guess I ll always be the same  
A drifting man without a name  
Once I loved too but that s all through

Chorus +:

**Ebm**                      **G#m**  
Genevieve, Genevieve
