The Walker Brothers

Genevieve

Em **Am**
Tomorrow will be Saturday
G **F**
You ll wake and find I ve gone away
 Em7 **Dm** **B**
But life goes on, you ll get along

Em **Am**
How easy we can whisper lies
G **F**
I ve lied until I want to cry
 Em7 **Dm** **B**
The truth I fear won t disappear

Chorus:

E **A**
Genevieve, love hangs on a string
E **A** **E**
Pretty thing, love shines in the sky for you
D **G**
I ve tried to make your dreams come true
B **Em**
I ve tried for you, Genevieve

Remember walks in summer rain
They ve flown, but they ll return again
And someone new will walk with you

I guess I ll always be the same
A drifting man without a name
Once I loved too but that s all through

Chorus +:

Em **Am**
Genevieve, Genevieve
