

Here Comes The Night
The Walker Brothers

Here Comes The Night

G7 **C**
Here comes the night, see the stars in the sky
G7 **C**
Shining high above, light of love, darling just you and I
G7 **C**
And a-here comes the night, how I thrill to your kiss
G7 **C**
Music fills the air everywhere, nights of magic and bliss

E **Am**
Think of the moments, the hours and hours that we were apart
D **G** **G7**
Moments and hours that kept bringing showers of tears to my heart
Whoah, whoah, whoah, whoah

Here comes the night, like the others before
But tonight s divine, you are mine, once more

Think of the moments...

And a-here comes the night, like the others...

G7 **C**
And a-here, here comes the night!
