I Need You
The Walker Brothers

I Need You

G#
Since the day I lost you girl, I just can t face the world
                                G#7
I can t help feeling kinda small
C#   **Cm**
I let you go one day but now I ain t ashamed to say
   C#   **Cm**   **C#**   **Cm**
I need you, you know that I need you
         Bbm   **C#**   **G#**
For without your love I m just no good at all

I guess I lost my head, I know I must have said
A lot of things to make you cry
I made myself a lonely man but now I ve come to understand
I need you, you know that I need you
And I m gonna keep needing you till the day I die

   C#   **Cm**   **C#**   **G#**
I need you to confide, yes I do
        C#   **Cm**   **C#**   **G#**
I need you to take pride in, yes I do
            C#   **Cm**   **C#**   **G#**
I need your shoulder to cry on
            C#   **Cm**   **Bbm**   **G#**
You re all I got to rely on

Baby, baby, take me back again cos now I ve come to understand
I need you, you know that I need you
And I m gonna keep needing you till the day I die
