The Walker Brothers

It Makes No Difference Now

B **B7**
It makes no difference now, you re gone and life goes on

E
Although it makes no difference now

C#m7 **B**
I never thought our love could have an ending

B7
It makes no difference now, the crazy little world we knew

E
Has tumbled into tears

C#m7 **B**
The crowd will see me smile but I m pretending

Ebm **G#m** **C#**
You love me although I know you re never thinking of me

Chorus:

B **B7**
I try to fool my heart and say that you ll come back to me

E **C#m**
And tell me that you re mine but while I try to fool my heart

Ebm **G#m**
I fool myself somehow

C#m **F#** **B**
You re gone and it makes no difference now

The crowd will see me smile...

Chorus
