

**It Makes No Difference Now**  
**The Walker Brothers**

It Makes No Difference Now

**C** **C7**  
It makes no difference now, you re gone and life goes on

**F**  
Although it makes no difference now

**Dm7** **C**  
I never thought our love could have an ending

**C7**  
It makes no difference now, the crazy little world we knew

**F**  
Has tumbled into tears

**Dm7** **C**  
The crowd will see me smile but I m pretending

**Em** **Am** **D**  
You love me although I know you re never thinking of me

Chorus:

**C** **C7**  
I try to fool my heart and say that you ll come back to me

**F** **Dm**  
And tell me that you re mine but while I try to fool my heart

**Em** **Am**  
I fool myself somehow

**Dm** **G** **C**  
You re gone and it makes no difference now

The crowd will see me smile...

Chorus
