

Just Say Goodbye
The Walker Brothers

Just Say Goodbye

D Am7 D
Just say goodbye and let me walk away,
Am7 D
There s nothing more to say when love like ours can die
Am7 D
Just say goodbye, forget the life we knew,
Am7 D
The memory of you, will only make me cry

G Gmaj7 G7
Just say goodbye, to leave me on my own,
E Am D
To face the world alone and never knowing why-y
G Gmaj7 G7
Just say goodbye, and though I don t know how,
E Am D
I couldn t hate you now, no matter how I tried

Just say goodbye, it s sad that you must go,
you loved me once I know, this much I can t deny

Oh my love, my own true love,
Oh where did we go wrong
Oh my love, my own true love,
oh how can I go on?

Just say goodbye, it s sad that you must go...

D Am7 G
Just say goodbye and please don t turn around
F#m Em7
Another love you ve found now spread your wings and fly
D Am7 D Am7 D Am7
Just say goodbye.... just say goodbye.... just say goodbye..
