

Just Say Goodbye
The Walker Brothers

Just Say Goodbye

E Bm7 E
Just say goodbye and let me walk away,
Bm7 E
There s nothing more to say when love like ours can die
Bm7 E
Just say goodbye, forget the life we knew,
Bm7 E
The memory of you, will only make me cry

A Amaj7 A7
Just say goodbye, to leave me on my own,
F# Bm E
To face the world alone and never knowing why-y
A Amaj7 A7
Just say goodbye, and though I don t know how,
F# Bm E
I couldn t hate you now, no matter how I tried

Just say goodbye, it s sad that you must go,
you loved me once I know, this much I can t deny

Oh my love, my own true love,
Oh where did we go wrong
Oh my love, my own true love,
oh how can I go on?

Just say goodbye, it s sad that you must go...

E Bm7 A
Just say goodbye and please don t turn around
G#m F#m7
Another love you ve found now spread your wings and fly
E Bm7 E Bm7 E Bm7
Just say goodbye.... just say goodbye.... just say goodbye..
