

Let The Music Play
The Walker Brothers

Let The Music Play

Intro: **D# E A**

A F#m D E
Let the music play just a little longer
C Am F G
Let the music play just a little longer
E C#m A B
Let the music play just a little longer
A B
Just a little longer

D#m7 G#m7
Let me hold her in my arms
D#m7 G#m7 A B
Let me thrill to all her charms a little longer

E C#m A B
Let the music play just a little slower
A B
Just a little slower

Let me hear her tender sighs
Let me look into her eyes a little longer

Make the music play, keep this magic going
Keep those trumpets blowing
B7 G# G#7
All through the night, don't ever skip a beat

She may slip away and if we were parted
I'd be broken hearted

Till he's in my arms to stay
Forever and the day, please let the music play

Let the music play
Please let the music play...
