Living Above Your Head

**D** **E** **D** **E**  
Seems so strange, you puttin me through changes

**E B7** **A** **C#**  
I can t believe that you re the same sweet girl,  
**A** **B7**  
That I once knew

**E** **B7** **A** **C#**  
And baby, the changes coming on don t look so good  
**A** **B7**  
Too good on you

**D** **E** **D** **E**  
Seems so strange, you puttin me through changes

**D** **E** **D** **E**  
Baby, you started doing things you should not be doin

Chorus:

**A** **B7** **E**  
Living above your head, girl

**A** **B7** **E**  
Coming on way too strong

**A** **B7** **E** **C#**  
Living above your head, girl

**A** **B7** **C#** **B7**  
Something has got to go wrong

Baby, don t think that I don t know you goin out  
With other guys  
And baby, though it hurts me so, you know that I m so  
So hypnotised

So let s not fight, kill all the love inside of me  
Baby, you started doing things you should not be doin

Chorus +:

**E B7** **D**  
...with our love, with our love

**A** **B7** **E**  
Livin above your head...
