And won't it be fine, we're gonna make it this time

You can throw away that shabby dress  
Buy yourself the finest things in town, girl  
Pry your eyes, we're celebratin'  
Oh, there's so many good times awaitin' baby  
Chorus

I know it's been tough on you  
But through it all, you've been so true  
Happy to be just lovin' me  
And anything you want, it's yours 'cause baby

My ship is coming in, baby, baby-  
My ship is coming in, baby, baby-  
My holy ship - I've been waiting and it's coming in
