D# **F#aug**
D# **Adim**
Adim **D#** **Adim**
You are the morning
Adim **D#** **Adim**
I am the night
D# **F#aug**
I was the only one left at the right time

A#sus2 **D#**
And only I still call you mine
A#sus2 **D#** **A#**
Only I m still hanging on

D#
Adim **D#** **Adim** **D#** **Adim**
Blown by a strong wind, blooded with fear
D#
All that you said to me is still so very clear

A#sus2 **D#**
So take my hand ah-ah
D#
The players in the band
A#sus2
They can always find
D#
Always find some number that we know

A#sus2 **D#**
A#sus2 **D#**
A#sus2
A#sus2 **A#**
Youâ€™ll miss me when Iâ€™m gone
Adim **D#**
But the happy music will carry on

D#
You are the morning
Adim
I am the night
D#
I was the only one left at the right time

A#sus2 **D#**
And only I still call you mine

A#sus2
