<b>F</b>	<b>C</b>
The red moon is rising behind you	
<b>F</b>	<b>C</b>
The ocean is pounding away	
<b>F</b>	<b>C</b>
I held up a light to the smoke but	
<b>F</b>	<b>C</b>
The wind blows, blows it away	

<b>Gm</b>	<b>Dm</b>	
And the night is cold		
<b>Gm</b>	<b>Dm</b>	
And the clouds go by		
<b>Gm</b>	<b>Dm</b>	
Tomorrow morning		
<b>Gm</b>	<b>F</b>	<b>Bb</b>
Well I hope to be home by your side		

[Instrumental]

**Dm G/Bb**  
**F C** x2

<b>F</b>	<b>C</b>
The riptide is pulling me under	
<b>F</b>	<b>C</b>
Iâ€™m drifting, drifting away	
<b>F</b>	<b>C</b>
Tomorrow the sun will be brighter	
<b>F</b>	<b>C</b>
The water will rise and wash us away

But the stars are cold  
**Gm** **Dm**  
And the air is bright  
**Gm** **Dm**  
And I see you now

You shine like the steel on my knife  
**G/Bb** **F** **Bb**  
The darkness is wrapped all around me tonight
