Intro: **G Em Am Dsus - D - Dsus2 - D**

G **Bm**
tomorrow is gonna make you cry
Em
it s gonna to make you kneel
Cm
before it breaks you from inside
G **Bm**
still pressing on
Em
arm over arm
Cm
still trying to get both feet back onto the ground
C
they are harvesting these fields in autumn.
G **D**
we re different now than when we started

G **Em**
I am ready to wake up
Am
there in the exodus
Dsus - D - Dsus2 - D
on the beautiful side of somewhere baby

Dsus - D - Dsus2 - D

(Same as first verse)
there on the pavement
underneath the yellow moon
i think of you
and just how easily we bruise
the folded address in my pocket i have stuffed
trying to believe for you
that the bottom didn t drop
I am on the platform
covered with dust
I pray they take the both of us

I am ready to wake up
there in the exodus
on the beautiful side of somewhere baby

I am ready to come down
to see us both somehow
on the beautiful side of somewhere someday

Dsus - D- Dsus2 - D
Somewhere Someday

G
I am lighting matches for the rescue
Em
some are candles some are fuses
Em
acting on my best behavior
Cm
switching over every breaker
C
as we re plowing through these laws of nature
G D
disregarding every acre
C
I m lying in my sunday best
G D
assuming this was not a test

I am ready to wake up
there in the exodus
on the beautiful side of somewhere baby
I am ready to come down
to see us both somehow
on the beautiful side of somewhere someday

Dsus - D - Dsus2 - D
Somewhere Someday

End on Em
