Em **C**
There is trouble in my mind

D5 **C**
There is dark, there is dark and there is light

Em **C**
Lay your hands over my eyes

D5 **C**
Cause I look deep, through valleys deep and wide

C/B **Am**
Across the borderline

D5 **Em**
For the empire of my mind

(Start doing this during Emâ€™s)

You are the reason I don't sleep
You are alive, breaking through the leaves
You know how hard I try,
to believe I have something good inside
Over barricades I climb
For the empire of my mind

I have no love somewhere in time

Iâ€™ve been lifted up
Iâ€™ve looked honor in the eyes
I have no reason, I have no right
I cannot deny thereâ€™s a darkness inside
Iâ€™m guilty by desire
And now I realize
The temptations make me glide
To the empire of my mind

Em **C**

There is no order

C/B **Am**

There is chaos

And there is crime

D5

There is no one alone tonight

Em

With the empire of my mind

There is no distance I donâ€™t see
I do have a will no minute to my breach
I wish I would, I wish i might
See a line tonight, seperating wrong from right
Some are only ones you try
Maybe thatâ€™s the reaosn why
Iâ€™m afraid someday iâ€™ll die
with the empire of my mind

Enjoy!
