

Iâ€™ve been lifted up  
Iâ€™ve looked honor in the eyes  
I have no reason, I have no right  
I cannot deny thereâ€™s a darkness inside  
Iâ€™m guilty by desire  
And now I realize  
The temptations make me glide  
To the empire of my mind

**Em**                    **C**

There is no order

**C/B**                    **Am**

There is chaos

And there is crime

**D5**

There is no one alone tonight

**Em**

With the empire of my mind

There is no distance I donâ€™t see  
I do have a will no minute to my breach  
I wish I would, I wish i might  
See a line tonight, seperating wrong from right  
Some are only ones you try  
Maybe thatâ€™s the reaosn why  
Iâ€™m afraid someday iâ€™ll die  
with the empire of my mind

Enjoy!
