from the bottom of my heart

Capo IV

Intro/Verse: **Fm C# G# Eb** x however many

Chorus: **C# G# Eb Fm** x2

For a picking pattern that sounds good use  
eg:

```
e |----x----|  
B |-----x--|  
G |-----x  |  
D |-----  |  
A |-----  |  
E |-x-----|
```

Just the Bass string of the chord and then e, B and G strings.

any corrections are encouraged. Thank You.
