from the bottom of my heart

Capo IV

Intro/Verse: **Dm Bb F C** x however many

Chorus: **Bb F C Dm** x2

For a picking pattern that sounds good use

eg:

e		----	x	----	
B		-----	x	--	
G		-----	x		
D		-----			
A		-----			
E		-x	-----		

Just the Bass string of the chord and then e, B and G strings.

any corrections are encouraged. Thank You.
