from the bottom of my heart

Capo IV

Intro/Verse: **F#m D A E** x however many

Chorus: **D A E F#m** x2

For a picking pattern that sounds good use  
eg:

e		----	x----	
B		-----	x--	
G		-----	x	
D		-----		
A		-----		
E		-x-----		

Just the Bass string of the chord and then e, B and G strings.

any corrections are encouraged. Thank You.
