Em  
Slow down, you re breaking up  
Am  
Use your words, don t yell so much  
D G  
I don t understand a word they you re saying  
Em  
Now move in, come up close  
Am  
You look like, You ve maybe seen a ghost  
D G  
Tell me has something gotten to you baby  
G  
Now open up your arms  
C  
Pick up your head  
Am  
Open your eyes  
D  
So you can see what happens next

(refrão)

G  
You won t believe  
D Am C  
Just how good it can get  
G  
We ll make a lover  
D C  
Out of you yet

Em  
The fog is so thick, I can t see my hands  
Am  
It got much worse soon as I got in  
D G  
And I know you re somewhere here in the water  
Em

It s ten feet deep and the river won t stop

Am

I ll tell you what s in it when I make it across

D

G

You could make it too If you let someone help you

G

C

But you gotta give in and you gotta let go

Am

Then you can begin to come up slow

D

Like a desert rose

(refrão)

Em

Take a deep breath, and hold it in tight

Am

And put your face up right into the light

D

G

Can t you feel that full moon shining down on you

Em

Help is coming from the great unknown

Am

Just maybe not when you needed it the most

D

G

Cause I can see you already know that you re leaving

G

But I wish you d stay

C

And just let me in

Am

Cause everything can change

D

But you gotta be ready cause you won t know when

(refrão)
