Now if there s a smile on my face, it s only there tryin to fool the public, but when it comes down to foolin you Now honey, that s quite a different subject

But don t let my glad expression give you the wrong impression Really I m sad I m sadder than sad You re gone and I m hurtin so bad Like a clown I pretend to be glad

but ain t too much sadder than the tears of a clown nc

when there s no one around

Now if I appear to be carefree, it s only to camouflage my sadness
In order to keep my pride
I try to cover the hurt with a show of gladness

But don t let my show convince you that I ve been happy since you decided to go

Oh, I need you so I m hurt and I want you to know

Now there s some sad things known to man, but ain t too much sadder than the tears of a clown when there s no one around

You can improvise a solo here....I think it s played up towards the 12 and 15th frets.

Just like Pagliacci did I try to keep my surface hid Smiling in the crowd I try
But in a lonely room I cry
The tears of a clown When there s noone around,

oh yeah, baby baby Now if there s a smile on my face
Don t let my glad expression
Give you the wrong impression
Don t let this smile I wear Make you think that I don t care
Cos really I m sad
