words and music by Jakob Dylan

B5 A#5 B  
There s three ways out of every box  
B5 A#5  
Fall out the bottom  
B  
Or crawl out the top  
B5 A#5  
There s three ways  
B  
Out of every, every box  
  
B5....A#5.....B

A# B  
But if you can't find your way out  
A#  
Then you just burn it  
B  
To the ground

Then you ll disappear  
Like smoke  
Into the clouds

(play intro)

There s three wys off a merry-go-round  
You either jump  
Or you let it slow down  
There s three ways  
Off a merry-go, merry-go-round

But if you can t put your foot down  
Then you just burn it  
To the ground  
Then you walk away  
Real slow  
Back into the crowd

There s always somebody there for a laugh\*\*  
Then you re the only one  
That s left  
Now that s what you get  
Left behind in the wreck\*\*

(play intro)

There s three ways off a burning bridge  
You pray for rain  
Or you learn how to swim  
There s three ways off of every  
Burning bridge

But if you can t find strength  
And you quit  
Then you can just burn up  
And sink  
Then you ll drift away  
Real slow  
Down into the ground

(play intro)

\*\* I think this verse is the same. It may be slightly different.\*\*
