words and music by Jakob Dylan

```

B5                A#5                B
There s three ways out of every box
B5                A#5
Fall out the bottom
           B
Or crawl out the top
B5                A#5
There s three ways
           B
Out of every, every box

B5....A#5.....B

```

```

           A#                B
But if you can t find your way out
A#
Then you just burn it
           B
To the ground

```

Then you ll disappear  
Like smoke  
Into the clouds

(play intro)

There s three wys off a merry-go-round  
You either jump  
Or you let it slow down  
There s three ways  
Off a merry-go, merry-go-round

But if you can t put your foot down  
Then you just burn it  
To the ground  
Then you walk away  
Real slow  
Back into the crowd

There s always somebody there for a laugh\*\*  
Then you re the only one  
That s left  
Now that s what you get  
Left behind in the wreck\*\*

(play intro)

There s three ways off a burning bridge  
You pray for rain  
Or you learn how to swim  
There s three ways off of every  
Burning bridge

But if you can t find strength  
And you quit  
Then you can just burn up  
And sink  
Then you ll drift away  
Real slow  
Down into the ground

(play intro)

\*\* I think this verse is the same. It may be slightly different.\*\*
