

**Used To Be Lucky**  
**The Wallflowers**

Used To Be Lucky  
words and music by Jakob Dylan  
from the No Boundries benefeit  
tabbed by Ian (ickis@new.rr.com)

Capo 2 (use the bar chord F)

**C....G.....C....F.....G.....C.....F.....G.....E.....Am /G...F....G....Am**

**F**                    **G**                    **C**  
Mine is a sunshine kind of a valentine  
**F**                    **G**                    **C**  
Sometimes I don t feel even worth a dime  
**F**                    **G**  
Now it Used to be different  
**E**                    **Am**        /**G**  
before i been where i ve been  
**Am**  
oooh

You ve got a heart so you know how it feels  
When you can t move at the top, of the ferris wheel  
Now I used to keep trying  
But it always felt like dying  
Oooh

(chorus)

**G**  
Sad, sad  
                  **Am**  
Everything has gone bad  
          **F**  
When the dreams i ve had  
          **C**  
they all laughed at what i had

**G**  
Oh no  
                  **Am**  
Tell me that it ain t true  
          **F**  
When I awake i m still me  
                  **G**  
When I wish i could once be you  
**F**                    **G**  
I used to feel lucky  
          **E**                    **Am**        /**G**

Until i spent some time with me  
Oooh

Now if losing is amusing man get a load of me  
You seen me falling in love with the guillotine  
I used to be funny  
To think you would think of me  
Ooooh

I wish i could just take all my things and leave  
But i m falling down in the wheels of this machine  
But i used to be something  
To be nowhere with nothing  
Oooh

(chorus)

Guitar solo (use verse chords x2)
