Eb
Stay, won t beg you to stay,

Eb
Go, yeah, I ll be okay,

G#
Won t kill me this way,

G#
Ohh ohh,

Eb
Least that s what I ll say.

Eb
No, you don t have to know,

Eb
The wounds that hurt me the most,

G#
Cos I ll never show,

G#
Ohh ohh,

Eb
Just how deep they go.

Eb
That s why I m telling you,

Eb
Every time you have to go,

G#
I don t think you even know,

G#
It s like a dagger in my heart,

Eb
Every time you have to leave,

G#
Can t believe it cuts so deep,

G#
It s like a dagger in my heart,

Eb
Dagger dagger oh,

Dagger dagger oh,

G#
Dagger dagger,

It s like a dagger in my heart,

Eb
Dagger dagger oh,

Dagger dagger oh,

G#

Dagger dagger,
It s like a dagger in my heart.

Eb

Strong, I thought I was strong,

Eb

These scars will heal before long,

G#

I guess I was wrong,

G#

Ohh ohh,

Eb

And I m too far gone.

Eb

Try, I know I should try,

Eb

To just get on with my life,

G#

But it s slipping away tonight,

Eb

There s some loves you can t survive.

Eb

That s why I m telling you,

Eb

Every time you have to go,

G#

I don t think you even know,

G#

It s like a dagger in my heart,

Eb

Every time you have to leave,

G#

Can t believe it cuts so deep,

G#

It s like a dagger in my heart,

Eb

Dagger dagger oh,

Dagger dagger oh,

G#

Dagger dagger,

It s like a dagger in my heart,

Eb

Dagger dagger oh,

Dagger dagger oh,

G#

Dagger dagger,

It s like a dagger in my heart.

G#

The last words I would say,

Cm

Is there ain t anyone else,

G#

Can take this pain away.

Eb

That s why I m telling you,

Eb

Every time you have to go,

G#

I don t think you even know,

G#

It s like a dagger in my heart,

Eb

Every time you have to leave,

G#

Can t believe it cuts so deep,

G#

It s like a dagger in my heart,

Eb

Dagger dagger oh,

Dagger dagger oh,

G#

Dagger dagger,

It s like a dagger in my heart,

Eb

Dagger dagger oh,

Dagger dagger oh,

G#

Dagger dagger,

It s like a dagger in my heart.

G#

Can take this pain away.

Eb

That s why I m telling you,

Eb

Every time you have to go,

G#

I don t think you even know,

G#

It s like a dagger in my heart,

Eb

Every time you have to leave,

G#

Can t believe it cuts so deep,

G#

It s like a dagger in my heart.
