The Wanted

NOTE: Capo 1

C#
Stay, won t beg you to stay,

C#
Go, yeah, I ll be okay,

F#
Won t kill me this way,

F#
Ohh ohh,

C#
Least that s what I ll say.

C#
No, you don t have to know,

C#
The wounds that hurt me the most,

F#
Cos I ll never show,

F#
Ohh ohh,

C#
Just how deep they go.

C#
That s why I m telling you,

C#
Every time you have to go,

F#
I don t think you even know,

F#
It s like a dagger in my heart,

C#
Every time you have to leave,

F#
Can t believe it cuts so deep,

F#
It s like a dagger in my heart,

C#
Dagger dagger oh,

Dagger dagger oh,

F#
Dagger dagger,

It s like a dagger in my heart,

C#
Dagger dagger oh,

Dagger dagger oh,

F#

Dagger dagger,
It s like a dagger in my heart.

C#

Strong, I thought I was strong,

C#

These scars will heal before long,

F#

I guess I was wrong,

F#

Ohh ohh,

C#

And I m too far gone.

C#

Try, I know I should try,

C#

To just get on with my life,

F#

But it s slipping away tonight,

C#

There s some loves you can t survive.

C#

That s why I m telling you,

C#

Every time you have to go,

F#

I don t think you even know,

F#

It s like a dagger in my heart,

C#

Every time you have to leave,

F#

Can t believe it cuts so deep,

F#

It s like a dagger in my heart,

C#

Dagger dagger oh,

Dagger dagger oh,

F#

Dagger dagger,

It s like a dagger in my heart,

C#

Dagger dagger oh,

Dagger dagger oh,

F#

Dagger dagger,

It s like a dagger in my heart.

F#

The last words I would say,

Bbm

Is there ain t anyone else,

F#

Can take this pain away.

C#

That s why I m telling you,

C#

Every time you have to go,

F#

I don t think you even know,

F#

It s like a dagger in my heart,

C#

Every time you have to leave,

F#

Can t believe it cuts so deep,

F#

It s like a dagger in my heart,

C#

Dagger dagger oh,

Dagger dagger oh,

F#

Dagger dagger,

It s like a dagger in my heart,

C#

Dagger dagger oh,

Dagger dagger oh,

F#

Dagger dagger,

It s like a dagger in my heart.

F#

Can take this pain away.

C#

That s why I m telling you,

C#

Every time you have to go,

F#

I don t think you even know,

F#

It s like a dagger in my heart,

C#

Every time you have to leave,

F#

Can t believe it cuts so deep,

F#

It s like a dagger in my heart.
