

**Demons**

**The Wanted**

No capo or capo 4 with chords Em, G, D, C

Intro: **G**

**Am**

Hey,

**Am C G**

I see a secret in your face

**G F G**

Did someone steal you away?

**G C F**

Is there someone else in my place

**F G Am**

I don't like this game

**Am C G**

I, I can see the death in your hands

**G F G**

Cause I know the way that you dance

**G C F**

Don't cover up cause it shows

**G F**

Mmm, I wish you would

**F**

Stop right now what you're doing, I know

**Am**

I got a needle in my brain and a nick in my bones

**G**

I cannot do a damn thing cause nobody's home

**F**

And it's hell, oh yeah

Now I say

**Am**

All my life, I played like a winner

**G**

Now all I see looking back in the mirror

**F**

Demons in my head

**C G**

The demons in my head, oh oh

**Am**

All this time, the saint was a sinner

**G**

The joke's on me, a stone cold killer

**F**

Demons in my head

**C G**

The demons in my head, oh oh

**Am**            **C**     **G**  
You have a natural sway  
                                 **G**    **F**    **G**  
And you know how sweet you taste  
          **G**            **C**     **F**  
But I can't take your flame  
          **F**            **G**            **Am**  
Like a bullet through my veins

**Am**     **C**            **G**  
As you scratch beneath my skin  
          **G**                    **F**    **G**  
My resistance crumbling  
          **G**     **C**            **F**  
I cover up but it shows  
          **G**                    **F**  
But I guess you know again

**F**  
Stop right now what you're doing, I know  
**Am**  
I got a needle in my brain and a nick in my bones  
**G**  
I cannot do a damn thing cause nobody's home  
**F**  
And it's hell, oh yeah  
Now I say

**Am**  
All my life, I played like a winner  
**G**  
Now all I see looking back in the mirror  
**F**  
Demons in my head  
**C**                            **G**  
The demons in my head, oh oh  
**Am**  
All this time, the saint was a sinner  
**G**  
The joke's on me, a stone cold killer  
**F**  
Demons in my head  
**C**                            **G**  
The demons in my head, oh oh

**Am**  
All this time,  
**G**  
I said all this time  
**F**  
All this time  
**C**                            **G**  
All this time

**Am**

All this time

**G**

I said all this time

**F**

All this time

**C**            **G**

All this time

**Am**

All my life, I played like a winner

**G**

Now all I see looking back in the mirror

**F**

Demons in my head

**C**                    **G**

The demons in my head, oh oh

**Am**

All this time, the saint was a sinner

**G**

The joke s on me, a stone cold killer

**F**

Demons in my head

**C**                    **G**

The demons in my head, oh oh

**Am**

All my life, I played like a winner

**G**

Now all I see looking back in the mirror

**F**

Demons in my head

**C**                    **G**

The demons in my head, oh oh

**Am**

All this time, the saint was a sinner

**G**

The joke s on me, a stone cold killer

**F**

Demons in my head

**C**                    **G**        **Am**

The demons in my head, oh oh
