

Everybody Knows
The Wanted

Standard tuning.
Only four chords used -
D A Bm G with no capo.
Or if you struggle with barring the **Bm**
then just use **G D Em C** on
. If you don't have a capo then
google/youtube how to make the rubber band capo. :)

D
I'm pretty sure you've heard of me
A
I'm a local celebrity
Bm **G**
But not the kind you look to Hollywood for

D
No flashing lights or autographs
A
In fact, people avoid me if they can
Bm **G**
I got no fans hanging right outside of my door

D
And I hear them whispering when I pass
A
Saying to each other is that the man?
Bm
With a broken heart
G
Cause you tore it apart

D **A**
And now everybody knows my name
Bm
Everybody feels my pain
But you don't even care
G
You're so unaware

D
And I'm left to deal with the shame
A
Now everybody knows that I'm
Bm
Just a bum without you by my side

Welcome to the show

G

Everybody knows

D

Everyone but you

A

Everyone but you
