

# Glad You Came The Wanted

(Intro)

**D**                      **A**                      **F#m**  
The sun goes down, the stars come out  
                         **E**                      **D**  
And all that counts, is here and now  
                         **A**                      **F#m**  
My universe will never be the same  
                         **E**  
I m glad you came

Verso:

**D**  
You cast a spell on me, spell on me  
**F#m**                      **D**  
You hit me like the sky fell on me, fell on me  
**F#m**                      **D**  
And I decided you look well on me, well on me  
**F#m**                      **D**                      **F#m**  
So let s go somewhere no-one else can see, you and me

**D**  
Turn the lights out now  
   **F#m**  
Now I ll take you by the hand  
                         **D**  
Hand you another drink  
                         **F#m**  
Drink it if you can  
                         **D**  
Can you spend a little time,  
                         **F#m**                      **D**  
Time is slipping away, away from us so stay,  
                         **F#m**  
Stay with me I can make,  
                         **D**  
Make you glad you came

**F#m**                      **D**  
The sun goes down, the stars come out

F#m D
