

Heart Vacancy
The Wanted

Woah.

F **C**
I hear your heart, cry for love.

Dm
But you won't let me make it right.

C
You were hurt, but I decided,

F
That you were worth the fight

C
Every night, you lock up.

Dm
You won't let me come inside.

C
But the look, in your eyes.
Says that I could turn the tide.

F
In your heart, in your heart, in your heart.

C
I can tell you can fit one more.

Dm
In your heart, in your heart, in your heart.

C
I don't care who was there before.

F **C**
I, hear your heart cry for love,

Dm
Then you act like there's no room ,

C
Room for me, or anyone.

F
Don't disturb is all I see.

C
Close the door, turn the key.

Dm
On everything that we could be.

C
If loneliness would move out,
I'd fill the vacancy.

F
In your heart, in your heart, in your heart,

C
Ooooh.

Dm

In your heart, in your heart, in your heart.

C

Oooh.

F

In your heart, in your heart, in your heart,

C

I can tell you can fit one more.
