

**If Were Alright**  
**The Wanted**

If We re Alright The Wanted

Standard tuning

No capo

Done by ear, very simple all the way through

VERSE

**D**

I know you can t be sleeping

Cause you re not anywhere near me

**Em**

All the way on the other side

Wish that I could read your mind

**D**

I m kissing on your shoulder

But you don t wanna turn over

**Em**

You know I d rather have another fight

Than be a victim of a silent night

**D**

You can scream and let it out

I will fix it tell me how

**Em**

**C**

You can say the words and I ll be wrong as long as we re alright

**D**

Call me names I ll take them all

**Em**

This time I ll take the fall

**C**

**A**

And I ll be wrong as long as we re alright

VERSE

**D**

Did I hurt your feelings

You should know I don t mean it

**Em**

Don t disguise it, let it all out

Say it s my fault, whatever you like now

**D**

Used to talk used to talk, we could talk about everything

So what s wrong, let me know cause I can do anything

**Em**

I m no good if your heart breaks  
C  
So I ll do whatever it takes

REPEAT *Chorus*

BRIDGE

Bm  
Tick tock, looking and the clock  
A  
If we take a minute we can make it all stop  
Bm  
Tick tock, when we gonna talk  
A  
Get it out your head baby  
Em  
Give me all you got tonight  
C  
Let me make it better

REPEAT *Chorus*

finish on D
