

Kickstarts
The Wanted

Intro: **F**

F
You want me to come over I got an excuse
F
Might be holding your hand but im holding it loose
F
Go to talk then we choke its like our necks in a noose
F
Avoid the obvious we should be facing the truth
Dm
Start to think it could be fizzling out
C
Kinda shocked because I never really had any doubts
Bb
Look into your eyes imagine life with out ya

F
And the love kick starts again

Bb
Starts again

F
The Love kick starts again

Bb
Starts again

F

Its the same old you the same old me
You get bored and I get cold feet
Bb
Get high get wandering eyes
Forget ive never ever had it so sweet.

F
I realise what I got when Im out of town Cos deep down youre my girl in a golden crown

Bb
My princess and I dont wanna let you down
No I Dont wanna let you down down down down.

F
You want me to come over I got an excuse
F
Might be holding your hand but im holding it loose
F
Go to talk then we choke its like our necks in a noose

F

Avoid the obvious we should be facing the truth

Dm

Start to think it could be fizzling out

C

Kinda shocked because I never really had any doubts

Bb

Look into your eyes imagine life with out ya
