

Kickstarts
The Wanted

Intro: **E**

E
You want me to come over I got an excuse
E
Might be holding your hand but im holding it loose
E
Go to talk then we choke its like our necks in a noose
E
Avoid the obvious we should be facing the truth

C#m
Start to think it could be fizzling out
B
Kinda shocked because I never really had any doubts

A
Look into your eyes imagine life with out ya

E
And the love kick starts again

A
Starts again

E
The Love kick starts again

A
Starts again

E

Its the same old you the same old me
You get bored and I get cold feet
A
Get high get wandering eyes
Forget ive never ever had it so sweet.

E
I realise what I got when Im out of town Cos deep down youre my girl in a golden crown

A
My princess and I dont wanna let you down
No I Dont wanna let you down down down down.

E
You want me to come over I got an excuse
E
Might be holding your hand but im holding it loose
E
Go to talk then we choke its like our necks in a noose

E

Avoid the obvious we should be facing the truth
