

Kickstarts
The Wanted

Intro: **G**

G

You want me to come over I got an excuse

G

Might be holding your hand but im holding it loose

G

Go to talk then we choke its like our necks in a noose

G

Avoid the obvious we should be facing the truth

Em

Start to think it could be fizzling out

D

Kinda shocked because I never really had any doubts

C

Look into your eyes imagine life with out ya

G

And the love kick starts again

C

Starts again

G

The Love kick starts again

C

Starts again

G

Its the same old you the same old me

You get bored and I get cold feet

C

Get high get wandering eyes

Forget ive never ever had it so sweet.

G

I realise what I got when Im out of town Cos deep down youre my girl in a golden crown

C

My princess and I dont wanna let you down

No I Dont wanna let you down down down down.

G

You want me to come over I got an excuse

G

Might be holding your hand but im holding it loose

G

Go to talk then we choke its like our necks in a noose

G

Avoid the obvious we should be facing the truth

Em

Start to think it could be fizzling out

D

Kinda shocked because I never really had any doubts

C

Look into your eyes imagine life with out ya

G

kick starts again

Em

Start to think it could be fizzling out

D

Kinda shocked because I never really had any doubts

C

Look into your eyes imagine life with out ya

G

And the love kick starts again

C

Starts again

G

And the love kick starts again

C

Starts again

G

And the love kick starts again
