

Lie To Me
The Wanted

Em Em/D Cmaj7

Say it, though you're looking down and to the left, now

Bm
Say it, like someone who really means it

Do it, cause if you grow a conscience, now

Em D C
We fall down

Em Em/D
Smiling, like there's nothing wrong

Cmaj7
You're good at smiling, so keep it plastered on

Bm
Until the morning, cause if you shift to genuine

Em D C
Then we'll fall out

(We fall out)
Cmaj7 C/D D
And we fall down

Gsus4 G D Em
Don't say it's all for the better
C G D

Oh, I need you to lie, to lie to me

Gsus4 G D Em
I'll stand for the greatest pretender
C G D

I know you won't die for me
Am

But say you will

G D Em
Just lie to me, to me

Em Em/D
So kiss me and tell me I'm the one

Cmaj7 Bm
There's no other, no other one you want

Baby, kiss me, make sure you close your eyes

Em D C
Or we fall down

C C/D D
Yes, we fall down
