

Lie To Me  
The Wanted

Dm Dm/D Bbmaj7

Say it, though you're looking down and to the left, now

Am  
Say it, like someone who really means it

Do it, cause if you grow a conscience, now

Dm C Bb  
We fall down

Dm Dm/D  
Smiling, like there's nothing wrong

Bbmaj7  
You're good at smiling, so keep it plastered on

Am  
Until the morning, cause if you shift to genuine

Dm C Bb  
Then we'll fall out

(We fall out)  
Bbmaj7 Bb/D C

And we fall down

Fsus4 F C Dm  
Don't say it's all for the better  
Bb F C

Fsus4 F C Dm  
I'll stand for the greatest pretender  
Bb F C

I know you won't die for me  
Gm

But say you will  
F C Dm

Just lie to me, to me

Dm Dm/D  
So kiss me and tell me I'm the one  
Bbmaj7 Am

There's no other, no other one you want

Baby, kiss me, make sure you close your eyes

Dm C Bb  
Or we fall down
