

Lie To Me  
The Wanted

**F#m F#m/D**

**Dmaj7**

Say it, though you're looking down and to the left, now

**C#m**

Say it, like someone who really means it

Do it, cause if you grow a conscience, now

**F#m E D**

We fall down

**F#m F#m/D**

Smiling, like there's nothing wrong

**Dmaj7**

You're good at smiling, so keep it plastered on

**C#m**

Until the morning, cause if you shift to genuine

**F#m E D**

Then we'll fall out

(We fall out)

**Dmaj7 D/D E**

And we fall down

**Asus4 A E F#m**

Don't say it's all for the better

**D**

**A**

**E**

Oh, I need you to lie, to lie to me

**Asus4 A E F#m**

I'll stand for the greatest pretender

**D**

**A**

**E**

I know you won't die for me

**Bm**

But say you will

**A**

**E**

**F#m**

Just lie to me, to me

**F#m F#m/D**

So kiss me and tell me I'm the one

**Dmaj7**

**C#m**

There's no other, no other one you want

Baby, kiss me, make sure you close your eyes

**F#m E D**

Or we fall down

**D D/D E**

Yes, we fall down

**Asus4 A E F#m**

Don't say it's all for the better

D A E

Oh, I need you to lie, to lie to me

Asus4 A E F#m

I'll stand for the greatest pretender

D A E

I know you won't die for me

Bm

But say you will

A E

Just lie to me, to me

D A E F#m

Now I can see, you bite your lip when you look at me

D A E F#m

One word, you say, and everything is giving you away

D A E

Let's close our eyes and save the truth for one more night

F#m E D

Or I fall down

Dmaj7 D/D E

Or I fall down

Asus4 A E F#m

Don't say it's all for the better

D A E

Oh, I need you to lie, to lie to me

Asus4 A E F#m

I'll stand for the greatest pretender

D A E

I know you won't die for me

Asus4 A E F#m

Don't say it's all for the better

D A E

Oh, I need you to lie, to lie to me

Asus4 A E F#m

I'll stand for the greatest pretender

D A E

I know you won't die for me

Bm

But say you will

A E F#m

Just lie to me, to me

Asus4 A E F#m

Don't say it's all for the better

D A E

Oh, I need you to lie, to lie to me

Asus4 A E F#m

I'll stand for the greatest pretender

D A E

I know you won't die for me
