

Lightning
The Wanted

G

Your in control
Pressing pause on my heartbeat
Someone stole all the air

C

So I can t speak now
I know the chase is on
I feel as though
My time has come

G

How many times do I fly
Through your head space
Now it s speeding away
From a safe place

C

Yeah your skin
Your touch the kiss

D

The rush too much
And here it comes

G

When your lips touch mine
It s the kiss of life

C

I know I know
That it s a little bit frightening
We might as well be playing
With lightning

G

We touch light
Like it s our first time

C

Oh oh
I know that it s a little bit frightening
We might as well be playing

D C

With lightning now

G

Oh oh
Oh oh

G

Just you and me and the
Coats in the back room
Learning things they don't
Teach in classroom

C

Now, your here
And feel the fear
But everything is all so clear

G

I've been addicted to you
Since it first hit
Out of control like a surge of electric

C

Yeah, your skin
Your touch the kiss

D

The rush too much
And here it comes

G

When your lips touch mine
It's the kiss of life

C

I know, I know
That it's a little bit frightening
We might as well be playing
With lightning

G

We touch light
Like it's our first time

C

Oh oh
I know it's a little bit frightening
We might as well be playing

D C

With lightning now

G

Oh oh
Oh oh
Oh oh
Oh oh

G

Your skin, your touch
The kiss, too much
Your skin, your touch

To kiss, the rush
Your skin, your touch
To kiss, too much
D (only strum once)
The rush, the rush
The rush, the rush

G
When your lips touch mine
It s the kiss of life

C
I know, I know
That it s a little bit frightening
We might aswell be playing
With lightning

G
We touch light,
Like it s our first time

C
Oh oh
I know it s a little bit frightening
We might as well be playing

D C
With lightning now

G
Oh oh
Oh oh
