

Lightning
The Wanted

A

Your in control
Pressing pause on my heartbeat
Someone stole all the air

D

So I can't speak now
I know the chase is on
I feel as though
My time has come

A

How many times do I fly
Through your head space
Now it's speeding away
From a safe place

D

Yeah your skin
Your touch the kiss

E

The rush too much
And here it comes

A

When your lips touch mine
It's the kiss of life

D

I know I know
That it's a little bit frightening
We might as well be playing
With lightning

A

We touch light
Like it's our first time

D

Oh oh
I know that it's a little bit frightening
We might as well be playing

E D

With lightning now

A

Oh oh
Oh oh

A

Just you and me and the
Coats in the back room
Learning things they don't
Teach in classroom

D

Now, your here
And feel the fear
But everything is all so clear

A

I've been addicted to you
Since it first hit
Out of control like a surge of electric

D

Yeah, your skin
Your touch the kiss

E

The rush too much
And here it comes

A

When your lips touch mine
It's the kiss of life

D

I know, I know
That it's a little bit frightening
We might as well be playing
With lightning

A

We touch light
Like it's our first time

D

Oh oh
I know it's a little bit frightening
We might as well be playing

E D

With lightning now

A

Oh oh
Oh oh
Oh oh
Oh oh

A

Your skin, your touch
The kiss, too much
Your skin, your touch

To kiss, the rush
Your skin, your touch
To kiss, too much
E (only strum once)
The rush, the rush
The rush, the rush

A

When your lips touch mine
It s the kiss of life

D

I know, I know
That it s a little bit frightening
We might aswell be playing
With lightning

A

We touch light,
Like it s our first time

D

Oh oh
I know it s a little bit frightening
We might as well be playing

E D

With lightning now

A

Oh oh
Oh oh
