

Love Sewn  
The Wanted

**A** **F#m**  
Yeah we fell we fell so hard we sold out  
Yeah we fray and fade away  
**D**  
we never cut loose there s nobody but you  
**A**  
nobody else (nobody else)

**A** **F#m**  
Yeah we feel we feel all of the same thing  
**D**  
You find you find all of my secrets  
Locked up deep inside of me  
**A**  
I know your always right  
(Always right)

**D** **E**  
So save your words,  
**D**  
I m bleeding inside,  
**E** **D**  
You see the hurt, no where left to hide  
**E** **F#m**  
and all this time, you re slipping away from me  
**D**  
bring me to my knees

**A** **E**  
Now I m lying on the floor,  
**F#m**  
with no one else to blame  
**D** **A**  
torn apart and knowing that I ll mess it up again  
**E** **F#m**  
Now I don t recognize just what we used to be  
**E** **D**  
and I can see us tearing at the seams

**D** **E** **D**  
We cover up the scars, and never let them go  
**E**  
Stitch up our broken hearts this love is sewn  
**A**  
(this love is sewn)

**A** **F#m**

**D**

All our mistakes, we stumble though a million fights

Every time we twist the knife

We forgive never forget, never forget
