

Rock Your Body  
The Wanted

[Intro] C F 2x

C  
Breath a sigh and push tonight,  
F  
Open your eyes and let the light,  
C  
Take you away, forget the day,  
F  
The hit makes you spit something you gotta say.

Am G F  
And I can still see the old days in your face,  
Am G F  
We have grown and we own it all

C G  
This is a rave not a grave,  
Am F  
Everyone head to the light,  
C G  
Coz we are not, not afraid,  
Am F  
Of pushing the limit tonight

C  
We re gunna rock your body,  
G  
Lets get on it,  
Am F  
The beat of your heart will ignite,  
C  
We re gunna shock your body,  
G  
CPR it,  
Am F  
The dead won t be sleeping tonight

C G Am F  
oooohhhh oooohhhh  
C G Am F  
oooohhhh oooohhhh
