Rock Your Body
The Wanted

[Intro] **C# F#** 2x

C#
Breath a sigh and push tonight,
F#
Open your eyes and let the light,
C#
Take you away, forget the day,
F#
The hit makes you spit something you gotta say.

       Bbm   **G#**   **F#**
And I can still see the old days in your face,
     Bbm   **G#**   **F#**
We have grown and we own it all

      C#   **G#**
This is a rave not a grave,
Bbm   **F#**
Everyone head to the light,
        C#   **G#**
Coz we are not, not afraid,
   Bbm   **F#**
Of pushing the limit tonight

       C#
We re gunna rock your body,
G#
Lets get on it,
    Bbm   **F#**
The beat of your heart will ignite,
         C#
We re gunna shock your body,
G#
CPR it,
    Bbm   **F#**
The dead won t be sleeping tonight
