

Rock Your Body  
The Wanted

[Intro] Bb Eb 2x

Bb  
Breath a sigh and push tonight,  
Eb  
Open your eyes and let the light,  
Bb  
Take you away, forget the day,  
Eb  
The hit makes you spit something you gotta say.

Gm F Eb  
And I can still see the old days in your face,  
Gm F Eb  
We have grown and we own it all

Bb F  
This is a rave not a grave,  
Gm Eb  
Everyone head to the light,  
Bb F  
Coz we are not, not afraid,  
Gm Eb  
Of pushing the limit tonight

Bb  
We re gunna rock your body,  
F  
Lets get on it,  
Gm Eb  
The beat of your heart will ignite,  
Bb  
We re gunna shock your body,  
F  
CPR it,  
Gm Eb  
The dead won t be sleeping tonight

Bb F Gm Eb

Bb F Gm Eb
