

Rock Your Body  
The Wanted

[Intro] D G 2x

D  
Breath a sigh and push tonight,  
G  
Open your eyes and let the light,  
D  
Take you away, forget the day,  
G  
The hit makes you spit something you gotta say.

Bm A G  
And I can still see the old days in your face,  
Bm A G  
We have grown and we own it all

D A  
This is a rave not a grave,  
Bm G  
Everyone head to the light,  
D A  
Coz we are not, not afraid,  
Bm G  
Of pushing the limit tonight

D  
We re gunna rock your body,  
A  
Lets get on it,  
Bm G  
The beat of your heart will ignite,  
D  
We re gunna shock your body,  
A  
CPR it,  
Bm G  
The dead won t be sleeping tonight

D A Bm G
