

Satellite
The Wanted

Intro: G D Em Am G

verse 1

D Em
Baby come over here

Am G
I just gotta tell you somethin', somethin'

D Em
There's nothing left to fear

Am G
There's nothing that can hurt you, nothin'

D C Am
We could take on the bodies of angels

G
Away from everyone

D Em
Touch as we circle the world

Am G
You and me, on the run

D Em
So put your hands up to the sky

Em
Yeah put 'em up

Am
Follow me, if you wanna fly

G
I'll show you love

D Em
Put your hands up to the sky, inside of mine

Am G
When we touch, we get so high

D Am
Like a satellite

Am G
I don't wanna come down, I just want your love now

D Am
Like a satellite

Am G
I don't wanna come down, I just want your love

D
Baby hold on tight

verse 2

D Em
Look at the stars above
Am G
We're the only thing that's brighter, brighter
D Em
Tonight you can feel the love
Am G
The way I feel around you, lighter
D C Am
