

C **F** **G**
Yeah it s true you know, we re not perfect

C
There s a fire inside of me

C **F** **G**
It means I ll fight for the things that are worth it

C
If it makes me feel complete

C **F**
Cause I m hitting rocks, and I m taking shots

G **Dm**
I m prepared to lose everything I ve got

Am
Now I m lost in the distance

Cadd9
You look at me like a stranger

G
Cause how it looks right now to me

D
That nothing can save us

Am **Cadd9**
Could ve shown you America

G **D**
All the bright lights of the universe

Am **Cadd9**
Could have reached, the highest heights

G **D**
A different place, a different life

Am **Cadd9**
Remember that night underneath the stars

G **D**
For a minute I thought the world was ours

Cadd9 **G** **D** **Em**
All you had to do was show me love

Am **Cadd9**

Show me love, looove

G **D**

Show me love, looove

Am **Cadd9**

Show me show me, love

G **D**

Show me show me love...

Am **Cadd9**

Show me show me, love

G **D**

Show me show me love...

Am **Cadd9**

Could ve shown you America

G **D**

All the bright lights of the universe

Am **Cadd9**

Could have reached, the highest heights

G **D**

A different place, a different life

Am **Cadd9**

Remember that night underneath the stars

G **D**

For a minute I thought the world was ours

Cadd9 **G** **D** **Em**

All you had to do was show me love

Cadd9 **G** **D** **Cadd9**

All you had to do was show me love
