

**Comin Through
The War On Drugs**

This is the basic rhythm and chord progression. Don t forget the delay and fuzz.
1 and 2 and 3 and 4 and....

A **B**
I ve been tryin to pull it through

A **B**
This rattle and roll

A **B**
Spent some time in a common place

A **B**
And everyone...

A **B**
Who d been burned like a thousand times

A **C#** **B**
Just wastin away

A **C#** **B**
Then arranged for the better man

A **C#** **B**
To take them away

A **C#** **B** x2
A **B**
Fell in line with the raconteurs

A **B**
From head to toe

A **B**
Fell in line with the raconteurs

A **C#** **B**
From layin low

A **C#** **B**
In the darkest point of night

A **C#** **B**
I want you

A **C#** **B**
To be here like before

A **C#** **B**
Comin Through

A **C#** **B** x3
A **B**
Well...Goin back to the root of all my beliefs

A **B**
Saying all that is low

A **B**
Spent some time in a common place

A **B**
Any where to go

A **C#** **B**
That s the sound of a million ships

A C# B
Just sailin away

A C# B
Yeah...it can feel like before

A C# B
Comin through either way

A C# B
Let it feel like before

A C# B
Comin through either way

A C# B x4 more or so
