

Destinies Entwined
The Waterboys

Intro:

C#m

C#m **A** **F#m**
Her point of view was radical, more than just a change of plan

C#m **E** **A**
She sold me her proposal which I did not understand

B **E** **A**
She said the secrets in the road, I tried to decode the signs

C#m **B**
And followed her for seven years, all eyes and ears

A **F#m** **G#** **C#m** **B A B**
Our destinies entwined... our destinies entwined

C#m **A** **F#m**
The new land lay like Eden underneath my hungry feet

C#m **E** **A**
Its trees were tall, its people all so noble in defeat

B **E** **A**
Men were digging, men were building, men were killing time

C#m **B**
I took a spade and volunteered, a pioneer

A **F#m** **G#** **C#m** **B A B**
Our destinies entwined... our destinies entwined

C#m **A** **F#m**
I made a stand on principle but I had not grasped the facts

C#m **E** **A**
One folly breeds another, I made all the wrong contacts

B **E** **A**
I fell in with strange company for their armour it did shine

C#m **B**
I took the only path I knew, they took it too

A **F#m** **G#** **C#m** **B A B**
Our destinies entwined... our destinies entwined

C#m **A** **F#m**
While all men shouted black is white, and swore that good is ill

C#m **E** **A**
I saw three crosses pierce the sky above a distant hill

B **E** **A**
The sky burned red as I turned my head and I left that scene behind

C#m **B**
I took another god to be my guide, the one inside

A **F#m** **G#** **C#m** **B A B**
Our destinies entwined... our destinies entwined

C#m **A** **F#m**
I lay in bed and as I stumbled from the vale of sleep
C#m **E** **A**
Across the theatre of my mind a passing thought did creep
B **E** **A**
That love is all and all is love, love infinitely kind
C#m **B**
I woke and glimpsed through prison bars a billion stars
A **F#m** **G#** **C#m** **B A B**
Our destinies entwined... our destinies entwined
