

Fisherman's Blues

The Waterboys

INTRO:

G, F, Am, C

G

I wish I was a fisherman

F

tumblin' on the seas

Am

far away from dry land

C

and it's bitter memories

G

castin' out my sweet line

F

with abandonment and love

Am

no ceiling bearin' down on me

C

save the starry sky above

G

with light in my head

F Am C

with you in my arms

B

i wish i was the brakeman

F

on a hurtlin fevered train

Am

crashin head long into the heartland

C

like a cannon in the rain

G

with the feelin of the sleepers

F

and the burnin of the coal

Am

countin the towns flashin by

C

and a night that's full of soul

G

with light in my head

F Am C

with you in my arms

G

And I know I will be loosened

F

from the bonds that hold me fast

Am

and the chains all around me

C

will fall away at last

G

and on that grand and fateful day

F

I will take thee in my hand

Am

I will ride on a train

C

I will be the fisherman

G

with light in my head

F Am C

with you in my arms

G

with light in my head

F Am C

with you in my arms

G F Am C

Light in my head

G

with light in my head

F Am C

with you in my arms
